

Moons Weisheiten

Freesias

A bunch of white yellow
Lovely freesias
Joyful watching
Their flowing time
From white yellow to maize yellow
And later
Indian yellow

How charming
How beautiful at the end!
Their blossom
Don't fall
Stay modest, gracious

A bunch of fresh freesias

Every time
When I buy them
For my small base
I am thinking
Of my final moments

So
Unloaded
Pure
Calm
Magnificent
Not afraid
To dry, to die
It might be my end?

Could be cool!
